

Marlow Town

Marlow is a charming, historical market town situated on a beautiful stretch of the river Thames in Buckinghamshire. Dating from Saxon times, Marlow has a wealth of Georgian buildings making up the town's retail centre and surrounding streets.

The commercial business parks, situated on the outskirts of the town, host well known international companies as well as small to medium sized businesses all of whom benefit from the excellent communication links with both the M40 and the M4 within 10 minutes drive and a local railway link serving both London and the West.

All these benefits make Marlow a popular business location and also attract a high number of tourists throughout the year. The town boasts two 5 star hotels, a number of independent guest houses and B & B's, a large and varied range of shopping and eating establishments as well as sport and leisure facilities.

Higginson Park, a green flag accredited open space, offers a tranquil setting in the centre of the town adjacent to the river Thames.

Marlow is an attractive location for any business, large or small.
